OVERLAY PROJECT CONTINUES NEXT WEEK ON STATE ROUTE 41 IN FRESNO COUNTY

WHAT: LANE CLOSURES ALONG STATE ROUTE 41 REQUIRING ONE-WAY TRAFFIC CONTROL WITH PILOT CAR.

WHEN: WEEK OF MONDAY, MAY 23RD THROUGH FRIDAY MAY 27TH.
CONSTRUCTION SCHEDULED TO CONTINUE NIGHTLY FROM 6:00 P.M. UNTIL 6:00 A.M.

WHERE: IN FRESNO COUNTY; FROM LAGUNA AVENUE TO HARLAN AVENUE

The California Department of Transportation (Caltrans) reminds motorists that Flatiron Construction continues night time work to implement an asphalt overlay rehabilitation project along three miles of northbound and southbound State Route (SR) 41. In order to safely complete this project, a pilot car and flaggers are being utilized. Motorists will be subject to 15-20-minute delays within the project limits. (Weather Permitting)

Portable Changeable Message Signage (PCMS) are in place along SR 41 advising motorists of the upcoming lane closures. **For the next two (2) weeks, motorists may expect delays in this area during this time and are encouraged to avoid this area or use an alternate route whenever possible.**

Scheduled closures may continue for a longer period of time if necessary due to delays caused by uncontrollable events which may occur during construction.

Caltrans thanks the residents, businesses and commuters for their patience during this construction project. The public is asked to drive with extra care while traveling through this construction area and please **"Slow of the Cone Zone"**.
